2. Information provided to him by the investigating police officers

That the investigation, which was a basis for the issuing of the search warrant, is still continuing and no arrests have been made and none are currently anticipated, but have not been ruled out. Additionally,

- There is information contained in the search warrant affidavit that is not known to the general public and any potential suspect(s), the disclosure of which would jeopardize the investigation and chances of successfully solving any crime(s) involved; and
- That disclosure and delivery of the affidavit would seriously jeopardize the outcome and success of the investigation by divulging sensitive and confidential information known only to investigators and any potential suspect(s) and also identify persons cooperating with the investigation thus possibly jeopardizing their personal safety and well-being.

As such

The search is part of a continuing investigation, which would be adversely affected by the giving of a copy of the affidavit, application and return and the unsealing of the same at this time (54-33c(a)).

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiant Detective James McGlynn, #1268 is a regular sworn member of the Connecticut State Police Department and has been a member of said Department for the past 23 years having participated in numerous criminal investigations, which have led to arrests and convictions. That the affiant McGlynn is presently assigned to the State Police Central District Major Crime Squad.
2. That the affiant Detective Scott Wisner, #507 is a regular sworn member of the Connecticut State Police Department and has been a member of said Department for the past 20 years having participated in numerous criminal investigations, which have led to arrests and convictions. That the affiant Wisner is presently assigned to the State Police Central District Major Crime Squad.
3. That on Friday, 12/14/12, at approximately 0935 hours, Newtown Police Department received a 911 call from a caller at the Sandy Hook Elementary School, 12 Dickinson Drive in Newtown, CT. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.
4. That as a result of the 911 call, numerous law enforcement personnel including members from the Newtown Police Department and the Connecticut State Police responded to Sandy Hook Elementary School, in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located CT registration 872YEO, a 2010, black colored Honda Civic unoccupied and parked in the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, DOB 09/06/60, 36 Yogananda Street in Sandy Hook, CT.
5. That as investigators entered the school numerous school children and school personnel were located deceased from apparent gunshot wounds in the first three classrooms located off the main hallway, adjacent to the school's front entrance. That investigators also located a teenaged white male dressed in military style clothing, wearing a bullet proof vest lying deceased on the floor in the middle classroom. That the deceased male was in possession of several handguns as well as a military style assault weapon.
6. That law enforcement personnel including members of the Connecticut State Police, Emergency Service Unit, responded to the residence of Nancy Lanza at 36 Yogananda Street in Sandy Hook, CT. Upon arrival at Lanza's residence, Connecticut State Police Emergency Service Unit gained entry into the house and located a deceased middle aged white female lying in a supine position on a bed in the 2<sup>nd</sup> floor master bedroom. The white female sustained an apparent gunshot wound to her forehead. Investigators located a rifle on the floor near the bed.
7. That investigators conducted a further search of a residence, and no other people were inside the house. A vehicle (Connecticut registration 593XGR, 2009 BMW, color silver, registered to Nancy Lanza) was noted as being located parked within the garage of the residence, which is located attached and under the residence. The house, including the vehicle, has been secured by investigators for the preservation of evidence.
8. That the Affiants have personal knowledge, based upon their experience and training, that crimes of violence involve a struggle, a break, the use of weapons and other instrumentalities, and/or the element of unpredictability; the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner; there is often an attempt to alter, destroy, remove, clean up, or cover up evidence of a crime. That traces may be left in the form of blood, semen, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, weapons and firearms including pistols, rifles, revolvers, shotguns, knives, hatchets, axes, cutting instruments and cutting tools,

blunt force instruments, projectiles, ammunition, bullet casings and fragments, gunshot residue (GSR), dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers and items containing traces of any of the above mentioned articles. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination by forensic science laboratory techniques, such as that performed by the Connecticut State Police Forensic Science Laboratory.

9. That the Affiants also have personal knowledge, based upon their experience and training, that a crime scene, such as described above, will contain physical evidence, hereinbefore itemized, which will aid in establishing the identity of the perpetrator(s), the circumstances under which the crime was committed, and/or which in general will assist in the discovery of the pertinent facts and that such evidence requires a systematic search to locate, seize, record and process. That trace evidence left in the forms mentioned above is easily transferred between participants and inanimate objects such as surroundings, including their home or motor vehicle. That it is reasonable to believe and expect that a person responsible for committing a crime, such as the one described in this affidavit would come in contact with these forms of trace evidence and transfer them to their surroundings.

10. That the Affiants also have personal knowledge that the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing and forensic analysis, including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Public Safety Forensic Science Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

11. Based upon the facts and circumstances described above, your Affiants have probable cause to believe that evidence of the crime of murder, in violation of Connecticut General Statute 53a-54c, will be found within 36 Yogananda Street in Sandy Hook, Connecticut, and its curtilage, or upon the person of the deceased middle aged white female, who at this time has not been positively identified.

12. Therefore, your affiants are requesting a Search and Seizure warrant be issued for the residence at 36 Yogananda Street in Sandy Hook, Connecticut, and its curtilage including the aforementioned vehicle within (Connecticut registration 593XGR, 2009 BMW, color silver, registered to Nancy Lanza), or upon the person of the deceased middle aged white female, who at this time has not been positively identified.
